

HONOR FLIGHT HUNTINGTON

Honor Flight Huntington Mission Statement: Escort America's veterans to Washington, D.C. to visit those memorials dedicated to honor their service and sacrifices.

Goal: Helping every single veteran, willing and able of getting on a plane or a bus, visit THEIR memorials.

Priority: Top priority is given to America's most senior heroes — survivors of World War II, the Korean, and Vietnam Wars. Veterans with a terminal illness may also be eligible.

Eligibility: All men and women serving stateside or overseas that served during WWII, Korean War and Vietnam War.

Philosophy: Since America felt it was important to build memorials to the service and the ultimate sacrifice of her veterans, Honor Flight Huntington believes it's equally important that they actually get to visit and experience THEIR memorials.

"We can't all be heroes. Some of us have to stand on the curb and clap as they go by." Will Rogers
